NEWSLETTER

Friday 3rd March 2023

Dear Parents,

Welcome back. It is lovely to see that the nights are getting brighter and the first signs of spring. It is now that we take time to notice the joy of God's creation when we see the buds on the trees and flowers. I hope that you managed to get out and about during the holiday and reconnect with family, friends and nature.

This week's Gospel reading is all about the transfiguration and the message is to help us grow in our faith.

"With God we can do great things. Jesus is always ready to encourage and support us." Pope Francis
When we listen to and follow Jesus, our lives are transformed. We grow in faith and love and we are filled with words of encouragement.

There are times when we all need encouraging: that is, to be inspired with courage and to have our hope renewed, especially when we are going through difficult times. If, like the disciples in this Sunday's Gospel, we too listen to Jesus, we will experience the encouragement that God offers freely to each one of us – today.

"What do you want to be when you grow up?"

"Kind" said the boy

Year 6 Chaplaincy team, with the support of year 5, have led collective worship this week on the theme of LENT. The children have had an opportunity to write and ask for forgiveness in salt and write prayers on hearts. We think and reflect on the things we have done wrong and look to ways to improve.

We are currently working on the ECO Award and the children are really buzzing with ways to support and improve our environment. Hopefully we will have weekly strategies of things we can do to save our planet.

Please keep 21st April in your diaries as we have our first Quiz night which will be held in the school hall. There will be an option to buy a fish and chip supper or vegetarian option to go with the quiz and of course a bar! More details to follow.

Uniform

We are focusing on the children wearing the correct uniform on the right day. On PE days the children should come to school wearing their PE kit and trainers. This is a purple hoody as part of the school uniform and this is important as when we go on school trips we can be instantly recognisable. Some children are wearing other coloured hoodies and purple hoodies with no logo. Mrs Lillico sells preloved uniform on the PTA Facebook page for £1.00 or brand new uniform can be purchased via Arbor. Please also label your uniform - do not write on it in pen as it washes off and we cannot read the name.

On the days we don't have PE the children should be in school uniform wearing shoes.

What Parents & Carers Need to Know about

SPOTIFY

Spotify is a digital music, podcast and video service which gives users access to millions of songs and other content from creators all over the world. Since launching in 2008, Spotify has revolutionised the way music is listened to: it now offers the ability to manage and share more than 100 million tracks and five million podcast series, plus personalised recommendations, new release updates and the option to create collaborative playlists. As of February 2023, it is the world's most popular audio streaming subscription service with 489 million users globally.

WHAT ARE THE RISKS?

EXPLICIT LYRICS

As per Spotify's terms and conditions, people need to be at least 13 to use it. That said, the platform doesn't censor lyrics unless instructed to do so in the settings – so it's worth noting that young teenagers could still be exposed to age-inappropriate songs which contain explicit references to sexual behaviour, violence, discriminatory language and swearing.

GROOMING TACTICS

Although Spotify doesn't come with dedicated chat functionality, concerns were raised in January 2023 after reports of an 11-year-old girl being coerced into sharing explicit pictures of herself on the platform. The case highlighted predators' tactics of sharing empty playlists with other users: their messages were being exchanged undetected through edited song titles and descriptions, bypassing security measures.

OVERSHARING

Spotify provides a perfect way to play music, with the ability to connect to another device, such as a Bluetooth speaker or an in-car stereo. While this is a useful feature, it's also easy to forget your surroundings and inadvertently play content which isn't appropriate for all listeners (especially those under the age of 18), potentially causing alarm or distress.

AGE-INAPPROPRIATE PODCASTS

Spotify's podcast community has grown exponentially and it's become a popular base for millions of users to listen to shows, stories, interviews and more – with content covering an array of topics. This includes some material which isn't suitable for minors, including audio which is obviously adult-themed, but can be just as easily accessed as everything else.

ACCESS TO SPOTIFY LIVE

If your child has a Spotify account, they'll also be able to access the platform's audio-only chat service: Spotify Live. While it's a separate stand-alone app, Spotify Live allows people to listen to live discussions on the main Spotify platform and, more notably, lets users enter virtual rooms to chat with other users, opening up direct conversations with strangers and individuals who might not necessarily be there for the right reasons.

Advice for Parents & Carers

SWAP TO SPOTIFY KIDS

If you're concerned about what your child might hear while streaming music, Spotify Kids is a separate, ad-free service specifically designed for children aged 12 and under. It allows younger users to enjoy human-curated, child-friendly content (such as music and audiobooks) and is available to users with a Spotify Premium Family subscription – meaning that parents can view and manage the content their child listens to.

CENSOR EXPLICIT CONTENT

Regardless of what type of account your child uses to access Spotify, there is an option to turn off explicit content in the settings – greying out all songs marked with an 'E' tag. If your child has their own individual account, it's easier for them to turn it back on – whereas with a family plan, you're in control and your child can't alter the setting without knowing the password.

TALK ABOUT THE RISKS

As with any platform, it's good practice to talk to your child about what they should be aware of when using Spotify. For instance, it's important they're aware never to share any personal information with strangers, and what they should do if they're exposed to inappropriate content. Encourage them to think critically about what they see and hear so that they feel comfortable raising any concerns with you.

KEEP AN EYE OUT

If you're concerned that your child is spending too much time on Spotify or you've noticed they're being particularly secretive about how they're using it, encourage them to talk about what they're listening to. It's always prudent to show an interest in their online habits from the outset – so you're confident they're using apps and services in the right way, for the right reasons, and they're not being drawn into anything they shouldn't be.
