

Year Six English – Reading		Intent	Implementation	Impact		
		At St. John Vianney Primary, we want to foster a lifelong love of reading by exposing our children to various literature across all curriculum areas. We believe reading opens up a new world for children and gives them the opportunity to explore new ideas, visit new places, meet new characters and develop a better understanding of other cultures. Reading is a key life skill and we strive to embed a culture of reading into the core of what we do. Providing opportunities for children to read both independently and aloud as well as allowing them the chance to discuss and recommend books they have read to their peers. Reading and quality literature is implicitly interwoven into our curriculum through the use of key texts to expose our children to various genres and famous authors and to enhance the variety of exciting topics that we teach.	At St. John Vianney Primary, within our English curriculum, we have incorporated key age-appropriate class reader texts to celebrate and promote the value of literature and language to our children. These books are used to create opportunities to develop reading fluency and comprehension with a focus on key reading strategies and skills, as well as develop grammar and punctuation knowledge and understanding to use and apply across the wider curriculum. We implement various strategies to ensure children are exposed to a wide range of vocabulary ensuring opportunities to verbalise and apply higher-level language in all areas of learning. A love of reading is encouraged by an ever increasing range of provision such as: <ul style="list-style-type: none"> • Regular library visits for all classes and all children able to take a library book home • author visits • whole school events and celebrations • competitions and class based rewards • daily reading of a class story for pleasure • book related parent workshops • bedtime book box (KS1 & 2) story sack (Reception) sent home weekly 	At St. John Vianney Primary, we strive to promote a positive reading culture where books and the love of literature is both celebrated and valued. We aim to ensure that our children's attainment is in line or exceeds their potential when we consider the varied starting points of all our children. We measure this using a range of formative and summative assessment procedures, whilst always considering the age-related expectations for each year group. We intend the impact of our English curriculum will ensure our pupils are academically prepared for life beyond primary school.		
Decoding/Fluency	Retrieval	Prediction	Inference	Questioning	Summarising	Clarifying
I can read silently, recognise words automatically and group words quickly to help me gain meaning from what I read.	I can confidently skim and scan, and also use the skill of reading before and after to retrieve information.	I am able to support my predictions by relevant evidence from the text.	I can infer characters' feelings, thoughts and motives, giving more than one piece of evidence to support each point made.	I can actively generate a variety of questions to focus the reading and adjust questions in light of evidence from the text.	I can summarise information from across a text and link information by analysing and evaluating ideas between sections of the text.	I can 'read around the word' and independently explore its meaning in the broader context of a section or paragraph.
Fluent readers read aloud effortlessly and with expression. Their	I can use evidence from across whole chapters or texts.	I can confirm and modify predictions in light of new information.	I can draw evidence from different places across the text.	I can ask my own critical thinking questions that take		

reading sounds natural, as if they are speaking.				the discussion beyond the text.
