

Take Home Task

Year 3 The Stone Age

Our take home tasks this term are focusing on the arts.

Please complete at least one of the following take home tasks and bring this into school before 24th November.

Remember it's okay to work with your family members to create your take home task.

As Performers

Using the tune of a well-known song, make up your own song about The Stone age.

You could record this and email it into school to share with your class, or you could rehearse at home and then perform it to your class.

As Creative Writers

Write an acrostic poem about the Stone Age.

Remember to include historical information and as a challenge try to include some rhyme.

As Artists

Use natural materials to create a Stone Age picture.

Create types of paint by crushing berries, grass leaves and other natural materials.

As Musicians

Make a rhythm using instruments made/found from natural resources i.e. rocks, sticks. Think about the changes in tempo.

For example, the tempo might increase to represent a man creeping up on his prey. You could record this and email it into school to share with your class, or you could rehearse at home and then perform it to your class
