

Sports Premium Spending Plan

2022-23

Funding to support Primary PE and School Sport

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. Our school has been allocated £18,090 for the academic year 2022-2023.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How we will be spending the Sports Premium Funding in the Academic Year 2022-2023:

1. Working with and alongside specialist PE teachers to coach the staff and pupils to improve sports provision even further **£7000**

Intended Impact:

To improve teachers and pupils' skills and knowledge of competitive games, and apply basic principles suitable for attacking and defending thus improving pupils' participation, enjoyment and outcomes.

To improve the quality of P.E. teaching across the school, through professional INSET and support and coaching from P.E. Manager. To ensure the quality of all teaching of P.E. is at minimum good and the majority outstanding.

2. Purchase new 'Huff N Puff' playground equipment **£700**

Intended Impact

To purchase new 'Huff N Puff' equipment to be used by the pupils at lunchtimes, thus improving pupil's physical fitness, co-ordination, stamina and mental health.

3. Purchase a new PE scheme which will support all teachers to have structure and continuity **£995**

Intended Impact

To improve the quality of Pe teaching across the school, creating consistency building upon firm foundations

4. Purchase Moki Trackers for each child in Key Stage 2 to increase their movement out of PE sessions **£2900**

Intended Impact

To encourage movement of all pupils increasing their fitness and wellbeing

5. Develop balance strength and agility by learning to cycle using a balance bike **£600**

Intended Impact

All Year 1 children are able to cycle without stabilisers and will have developed hand eye co-ordination and core strength

6. Purchase curling equipment to improve hand eye co-ordination of pupils
£270

Intended impact

To encourage more children to partake in sports and develop the confidence of SEND pupils by offering a wider choice and developing enjoyment and enthusiasm for a range of sports

7. Offering a range of sports that will appeal to more children who may not have talent for attack and retrieval sports. Purchase tennis equipment and archery equipment
£1000

Intended Impact

More pupils will be encouraged to try a range of sports developing enthusiasm and developing strength and stamina. After school clubs created related to interest of the pupils.

8. Replace and replenish football and netball equipment to improve team work
£500

Intended Impact

To improve teamwork and develop competitive games

9. Increase participation in competitive games by being part of Coventry School games

£375

Intended impact

To develop increased participation in competitive sports across Coventry and the wider community

10.To continue to develop swimming skills across the school **£6000**

Intended impact

More children will have the opportunity to improve their core strength, stamina and resilience by improving their swimming skills
