## GOOD NEWS

Dear Parents

As we come together at the end of a fantastic year, we look back at all the things that we have achieved - every single one of us has grown and changed and all for the better. I am proud of everyone in school and all the progress they have made, from the small steps to the giant leaps that some pupils have made. When I stand on the gate in the morning it is such a pleasure to hear the children say, "good morning" and chat about the things that have or are going to happen in their lives. It takes some children a lot of courage just to say good morning because even that is a massive step forward.

## News of the week

There has been so much joy in school this week. The Key Stage 2 performance of High School Musical was absolutely amazing. Year 6 were fantastic and so involved in the parts they were playing. The audience were enthralled and loved the performances. Thank you to all the children in Years 5, 4, and 3 who supported with the singing knowing that when it comes to their turn, they too will be supported – it shows that everyone is important. Thank you to Mrs Holmes, Mrs Cook and Mrs McGuire and all the Key Stage 2 staff for your support and hard work. A big thank you to Mrs Holmes for directing the show, Mrs Honey for the backdrop, Mrs Cook for the Mics and Mrs Cooke for the costumes- we couldn't have done it without you.

I am so proud of Year 6 for their SATs results and their behaviour at all events including Confirmation which was outstanding. Today we have our final Mass and whilst it is sad to see our pupils leave, we know that we will see them next year at Gala day. We wish them every success and know that they will go from strength to strength. Thank you to all the parents who have bought gifts to say thank you, but what is wonderful is the lovely cards of thanks we receive – your words of kindness mean so much.

Today we say goodbye to Mrs Ryan our year 3 teacher, Mrs Honey and Mr Teahan- all longstanding members of staff who are part of our SJV family. We will miss them so much but are so grateful for the impact that they have had on our children's lives. The children in our care are family and they have gone above and beyond to support them and their families. Mr Teahan has been involved with our school for over 34 years; we thank him from the bottom of our hearts for his words of wisdom and support which has enabled us to move our school forward. We are not saying goodbye as we hope that Mrs Ryan will continue to work some days as supply, Mrs Honey will support us with sacramental preparation and Mr Teahan will be involved at a higher level within the MAC as a director.

May I take this moment to thank you all for your love and support throughout the year and may you have a very happy and restful holiday.
