## Behaviour Policy

### *Mission statement*

***“St John Vianney School is an academic community which is characterised by the Gospel Spirit of Peace, Justice and Love. All that we do and say in our school will be dominated by Jesus’ words “Love one another as I have loved you”. Our school rules are based on this statement and carried in “our hearts and our heads” and reflected in the life and work of our school”.***

### **Purpose**

The purpose of this policy is to guide teachers, pupils and parents on our restorative and relationship-focused approach to behaviour management. This will allow the pupils at St John Vianney to enjoy a calm, nurturing and caring environment which will support every child both emotionally and educationally to give them the best possible chance of success.

St John Vianney is committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. Our behaviour policy guides staff to teach self-discipline not blind compliance. It echoes our core values with a heavy emphasis on respectful behaviour, a partnership approach to managing poor conduct and dynamic interventions that support staff and learners. Consistency, and clear, calm adult behaviour underpins this.

### **Aims**

- To provide a clear, fair and consistent approach to behaviour based on nurturing principles and restorative practices.
- To foster, nurture and value strong and healthy relationships in recognition of the importance of this as a lifelong skill.
- To provide a safe, respectful, equitable and happy school ethos where learning opportunities are maximised.
- To give staff the tools to enable them to support and equip children with strategies to manage their behaviour and build positive relationships with others.
- To create a culture of exceptionally good behaviour: for learning, for community for life
- To ensure that all learners are treated fairly, shown respect and to promote good relationships.
- To refuse to give learners attention and importance for poor conduct
- To help learners take control over their behaviour and be responsible for the consequences of it.
- To ensure that excellent behaviour is a minimum expectation for all.

# Our Vision at St John Vianney

Inspiring the children of St John Vianney to fulfil their mission to follow the words of Jesus and our one school rule: 'Love one another as I have loved you,' through their words and actions.

At St John Vianney, we have high expectations for all pupils; we expect children to be St John Vianney ready by demonstrating our values and virtues. This is recognised through Star of the Week awards at our achievement assemblies, positive reinforcement strategies, recognition boards in classrooms, the 'above and beyond' recognition book in the Head teacher's office and end of term Golden Assemblies.

We want all of the St John Vianney family to live out daily our mission statement of **'Love one another as I have loved you,'** by following:

Be safe

Be kind

Be fair

In addition, we wish to give recognition to pupils who go 'Over & Above'.

'Over and above' behaviours include exceeding our school values, impacting the wider St John Vianney community and showing St John Vianney initiative.

*'If you consistently reward minimum standards then children will strive for minimum standards. If you reward children for going over and above then there is no limit to their excellent behaviour.'*

Paul Dix

## Expectations of Adults

We expect every adult to:

1. Meet and greet every child every morning.
2. Refer to 'Be safe, be kind, be fair'.
3. Model positive behaviours and build relationships.
4. Plan lessons that engage, challenge and meet the needs of all learners.
5. Use a visible recognition mechanism throughout every lesson (eg, Recognition boards)
6. Be calm and give 'take up time' when going through the steps. Prevent before sanctions.
7. Follow up every time, retain ownership and engage in reflective dialogue with learners.
8. Never ignore or walk past learners who are behaving inappropriately

## **Phase Leaders**

**EYFS – Mrs Drohan-Mills**

**KS1 – Mrs Littlewood**

**Lower KS2 – Mrs Ryan**

**Upper KS2 – Mr Gormley**

Phase Leaders are not expected to deal with behaviour referrals in isolation. Rather they are to stand alongside colleagues to support, guide, model and show a unified consistency to the learners.

Phase leaders will:

- Meet and greet learners at the beginning of the day
- Be a visible presence around school to encourage appropriate conduct
- Support staff in returning learners to learning by sitting in on reparation meetings and supporting staff in conversations
- Regularly celebrate staff and learners whose efforts go above and beyond expectations
- Encourage use of 'relentless routines', Positive Notes and Positive Phone Calls
- Ensure staff training needs are identified and targeted
- Make sure that the 'restorative conversations' are completed

## **Senior Leaders**

Senior leaders are not expected to deal with behaviour referrals in isolation. Rather they are to stand alongside colleagues to support, guide, model and show a unified consistency to the learners.

Senior leaders will:

- Take time to welcome children and family members at the start of the day
- Be a visible presence around the site and especially at transition times
- Celebrate staff, leaders and learners whose effort goes above and beyond expectations
- Regularly share good practice
- Support phase leaders in managing learners with more complex or entrenched negative behaviours
- Use behaviour data to target and assess school wide behaviour policy and practice
- Regularly review provision for learners who fall beyond the range of written policies

## Positive Strategies

The following positive strategies will be used consistently by all adults in the school. They are designed to ensure 'first attention goes to best conduct' and to create clear, simple routines and expectations that make children feel valued members of our learning community and motivated to always try their best.

*'The foundation of every school must be excellent behaviour. We should be keeping the focus on a visible culture of impeccable conduct, and making the consistency palpable, audible and highly visible.'*

Paul Dix

Teachers will create a welcoming environment by greeting pupils every morning through a formal meet and greet at either the classroom door or at each child's classroom seat. This may be a simple, 'Good morning' or offering a handshake to provide a consistent check in and enthusiastic welcome to every child.

All adults will be looking out for children who show St John Vianney Values

and go over and above. Ways that children will be recognised for doing so:

## Hot Chocolate Fridays

Children consistently going 'over and above' will be invited to have hot chocolate with the Head Teacher on some Friday afternoons. There may be some weeks that no child in the class is chosen- it needs to be sincere high-level recognition to ensure it is not devalued.

## A Positive Note Home/Postcard home from Head Teacher

The Positive Note is also a high-level recognition for consistently going over and above. It can be given to any child by any adult in the school, staff members or visitors. There is no set amount each week- again it must be sincere to keep its value. Letters may also be sent home from the head teacher to recognise outstanding children.

*'The positive note enables you to mark the moment with the child. You are framing them with their best behaviour, their most determined effort, their greatest show of resilience.'*

Paul Dix

## Recognition Board

A Recognition Board will be used to encourage social or learning behaviours. For example, 'One voice', 'Kind words' or 'Over and above' maybe written on the board. Adults or pupils in the class can nominate names for the board and there is emphasis on children working together as a team to get everyone's name on the board.

*'This is not intended to shower praise on the individual, it is a collaborative strategy- we are one team focused on one learning behaviour and moving in one direction.'*

Paul Dix

### **Phone calls home**

Teacher or member of SLT phones parents to share child's success.

### **St John Vianney Star of the Week Awards**

Awarded at assembly - two children are selected each week by the class teacher. The children are selected at the beginning of the assembly and receive a certificate from the Head. They then take their seat pride of place on "the best seats in the house" for the duration of the assembly.

### **Golden Assemblies**

Each class teacher chooses approximately three awards to give to children for living out the virtues at the end of each half term.

### **Achievement Awards**

Children with an achievement outside of school can share it at the weekly assembly through the class teacher.

### **House Points**

All children belong to a house point team: St Andrew's, St David, St George or St Patrick. Children receive house points for excellent behaviour, manners and work. House points are achieved collectively for each team in order to gain a reward for the team at the end of each half term. House Monitors count up the points and these are reported to the school at achievement assembly.

### **Policy Blueprint & Classroom Plan**

#### **Behaviour Policy Blueprint (See Appendix 1)**

This is a concise A4 document which teachers will refer to for a consistent approach to our Relationships Policy to ensure behaviour and expectations are clear and consistent.

#### **Classroom Plan (See Appendix 2)**

The Classroom Plan is a sequence of steps which are focused on small but certain consequences and a restorative, not punitive, ending. The plan will be used by every teacher to ensure consistent language and steps are being used throughout the school, and expectations and consequences for the children are clear.

#### **Scripted Response (See Appendix 3)**

As part of the Classroom Plan, a 30-Second Script will be used to reinforce expectations when behaviour shown is not reflective of our school values. This will take place at Step 3 of the Classroom Plan. The purpose of this script is to provide a quick, consistent and non-judgmental dialogue with the child to encourage positive choices to be made. The scripted response should be delivered in an emotionless tone, designed to prevent escalation. Once the script has been delivered, the child 'owes 2 minutes'. They then must stay behind at break time or lunch to have a quick discussion with the class teacher.

### **Personalised Relationship Plans**

These plans are in place for children with behaviour as an additional need. Relevant teachers will create these personalised plans for all adults working with the child to follow. They will be created with input from the child and shared with parents.

## **Restorative Approach**

*'Punishment doesn't teach better behaviour, restorative conversations do.'*

Paul Dix

Every adult in our school is important and has the ability to deal with behavioural incidents. If an incident takes place in the playground, this will normally be responded to by support staff who all use the same strategies as teaching staff. This allows an intervention to take place immediately and may involve a restorative conversation. It will not usually then be revisited by the class teacher or management team unless further action is required. Teachers will deal with almost all behaviours which take place during lessons. In order to minimise loss of teaching and learning time, the management team may become involved in a variety of ways, e.g. releasing the class teacher to have a restorative meeting with a child.

## **Restorative Meetings/Conversations**

*'The positive relationships you form with pupils depend on a restorative approach being your default mode.'*

Paul Dix

At St John Vianney Catholic Primary School, we believe that nurturing and restorative practice, as well as high expectations, are key to building positive relationships. Restorative meetings and/or conversations aim to help the child realise how their behaviour impacts others, teach what appropriate behaviour looks like and equip the child with tools they can use to avoid a similar incident occurring in the future.

## **Restorative Questions {See Appendix 4}**

These restorative questions will be used to support restorative meetings and/or conversations. For middle and upper school pupils, up to 5 questions will be used. For infants, the teacher may decide it would be more appropriate to start with two and build on these as the child develops in maturity.

## **Consequences**

*'Children need people, not punishment. It is time we gave them what they need to succeed, not simply what we feel they deserve. Exclusion and heavy sanctions rarely meet the needs of the child.'*

Paul Dix

At St John Vianney, we encourage positive behaviour which reflects our Mission Statement. Our behaviour management approach is based upon building strong relationships between adults and children. The use of positive reinforcement strategies will always be our default approach.

However, if a child is not responding to these strategies, there needs to be clear, consistent consequences chosen by the adult dealing with a specific incident. For children with behaviour as an additional need, examples of these will be detailed on their personalised Relationship Plan.

Consequences implemented can be '2 minutes owed', 'Pay it Back time' or, in more serious circumstances, parental phone calls home. They are designed to encourage the child to make 'good' choices and understand that their actions have consequences. For example, not completing work in class due to choices made regarding behaviour that is not reflective of our school values results in lost learning time which then needs to be paid back.

- **'2 minutes owed'**- a reflective time where the child and class teacher privately discuss their actions and how it has impacted on others. This will be at the start of playtime or lunchtime. The purpose of this is to enable the adult to remind the child of our school values and to encourage positive behaviour in future.
- 'Pay it Back time'- is an appropriate action linked to the incident and value which has not been shown. For example, if a child has not completed class work due to failure to respond to positive strategies, work may be sent home. Another example would be if there has been vandalism in the playground we may ask the child or children involved to help repair the damage.
- **Parental involvement-** We feel it is important for parents to be aware of repeated and/or more serious incidents. We will communicate this through a phone call, or an informal or formal meeting.

Managing Behaviour Engagement with learning is always our primary aim at St John Vianney. For the vast majority of our learners a gentle reminder is all that is needed. Although there are some occasions when it is necessary for a child to leave their classroom for a short period of time, however steps should always be gone through with care and consideration, taking individual needs into account where necessary. Praise the behaviour you want to see. Do not pander to attention seekers. All learners must be given 'take up time' in between steps. It is not possible to leap or accelerate steps for repeated low-level disruption.

### **Practical steps in managing and modifying poor behaviour**

Learners are held responsible for their behaviour. Staff will deal with behaviour without delegating. Staff will use the 'Stepped Sanctions' for dealing with poor conduct. It is the aim that learners should be kept at steps 1 and 2 for as long as possible.

# Appendix 1 – Behaviour Policy Blueprint

## Behaviour Blueprint

If you are sent out of your classroom repeatedly, your teacher will speak to your parents.  
If your behaviour **does not** improve you will discuss with Mrs Goslin Littlewood and your parents will be contacted.  
Repeated classroom disruption may result in a behaviour chart.

## Appendix 2- Classroom Plan

	Steps	Actions
1.	<b>Redirection/Reminder</b>	A reminder of the rules, delivered privately wherever possible. Gentle encouragement, a 'nudge' in the right direction. A reminder of our three simple rules - Ready, Respectful, Kind. Repeat reminders if necessary. De-escalate and decelerate where reasonable and possible and take the initiative to keep things at this stage. Praise will be given if the learner is able to model good behaviour as a result of the reminder.
2.	<b>last chance</b>	A verbal caution delivered privately, if possible, making the pupil aware of their behaviour and clearly outlining the consequences if they continue. Use the phrase, 'Think carefully about your next step.' Give the pupil a final opportunity to engage. Offer a positive choice to do so and refer to previous examples of good behaviour.
3.	<b>30-second script</b>	If the pupil still does not engage, use the 30-second script. Attach, 'Stay behind two minutes after class.' to this step. This two minutes cannot be removed or reduced.
4.	<b>Time out/Cool off</b>	This step is only needed if the child needs to calm down and compose themselves. Time out might be a short time in an agreed classroom or a quiet area in the classroom.
5.	<b>Restorative conversation</b>	(5 minutes after class for restorative conversation/10 minutes in reflection time). This might be a quick chat or a more formal restorative conversation during which the teacher may decide on a logical, appropriate consequence for the child's actions. For example, if the situation has resulted in significant learning time being lost, the teacher may decide work should be taken home to complete ('Pay it Back time').
6.	<b>Support step</b>	In more serious circumstances, for example aggressive or threatening behaviour, the support step will be needed. This support may be from SLT, Phase Leaders or another class teacher. This will be specified on a personalised Relationships Plan for certain children identified with behaviour as an additional support need.
